The importance of student feedback on course material is widely improving educational quality. College is assessing and analyzing students comments as a foundation for making improvement to the present system. The suitable ideas are given to the director for the execution based on the comments collected.

Major Remarks or Suggestions, Action taken and Impact:

Sr. No.	Major Remarks / Suggestions	Action Taken	Impact
1.	Focus more on case study-based approach and add more case studies in curriculum conduct	Faulty meeting was called and it was decided that Recent case studies should be included in curriculum and should be covered in lecture conduct by faculty	Students will understand the problem and became good problem solver
2.	Value-added certification courses.	Director asked the faculty to increase the motivation for value added course and prepare a course word for it.	Other value added course helped then to increase their skills in different courses.
3.	Teaching methodology to cover more of application aspects of concepts.	Director asked the faculty to ensures and make curriculum delivery more relevant to industry by using short field project based teaching pedagogy, giving more field assignments.	Students learned the practical concept of corporate world.

Parent feedback Form Analysis:

Major Remarks or Suggestions, Action taken and Impact:

Sr. No.	Major Remarks / Suggestions	Action Taken	Impact
1.	Students should be made industry ready	Director arranged the faculty meeting and decided to take different workshop on personality development and divide the course accordingly.	Students' personality changed. They were more confident and motivated.
2.	Education should be raised to a level which enables students to easily clear interviews and aptitude tests during campus placements.	Director asked faculty to prepare students for the interview by taking mock interviews and group discussion.	Students faced the interview properly and was placed in different industry.
